Guidelines for users and developers

Multilingual guidelines for users and developers.

The guides are written for EUPL v1.1 -- for the EUPL v1.2 (2017), provide "1.1" is replaced by "1.2" and the extended list of compatible licences (EUPL v1.2 appendix) is considered.

- Guidelines in 22 languages: https://joinup.ec.europa.eu/collection/eupl/guidelines-users-and-developers

Matrix of EUPL compatible open source licences

A global compatibility matrix between all OSI-approved licenses and the EUPL (July 2011 - last updated 2017)
